

CAMP JACOBSON SONG LYRICS

In the tune of Ants Go Marching

Camp Jacobson's the place to be
Hurrah, hurrah
Camp Jacobson's the place to be
Hurrah, hurrah
With hearts so full of bravery
We take responsibility
And we all join hands as friends
(At Camp Jacobson)

Camp Jacobson's the place to be
Hurrah, hurrah
Camp Jacobson's the place to be
Hurrah, hurrah
With sharp awareness we can see
And empathize with those in need
And we all join hands as friends
(At Camp Jacobson)
